**FURTHER UPDATE ON PHASE 1 HIGHWAYS IMPROVEMENT WORKS**

Further to Bulletin 1 issued 27<sup>th</sup> August 2025, the Highway Improvement Works have predominantly progressed well in line with target dates and sequencing.

To facilitate the next sequence of works, road closures along North Street are required for two separate periods which will also include some night working:

1. **4<sup>th</sup> – 21<sup>st</sup> November**
2. **24<sup>th</sup> November – 13<sup>th</sup> December**

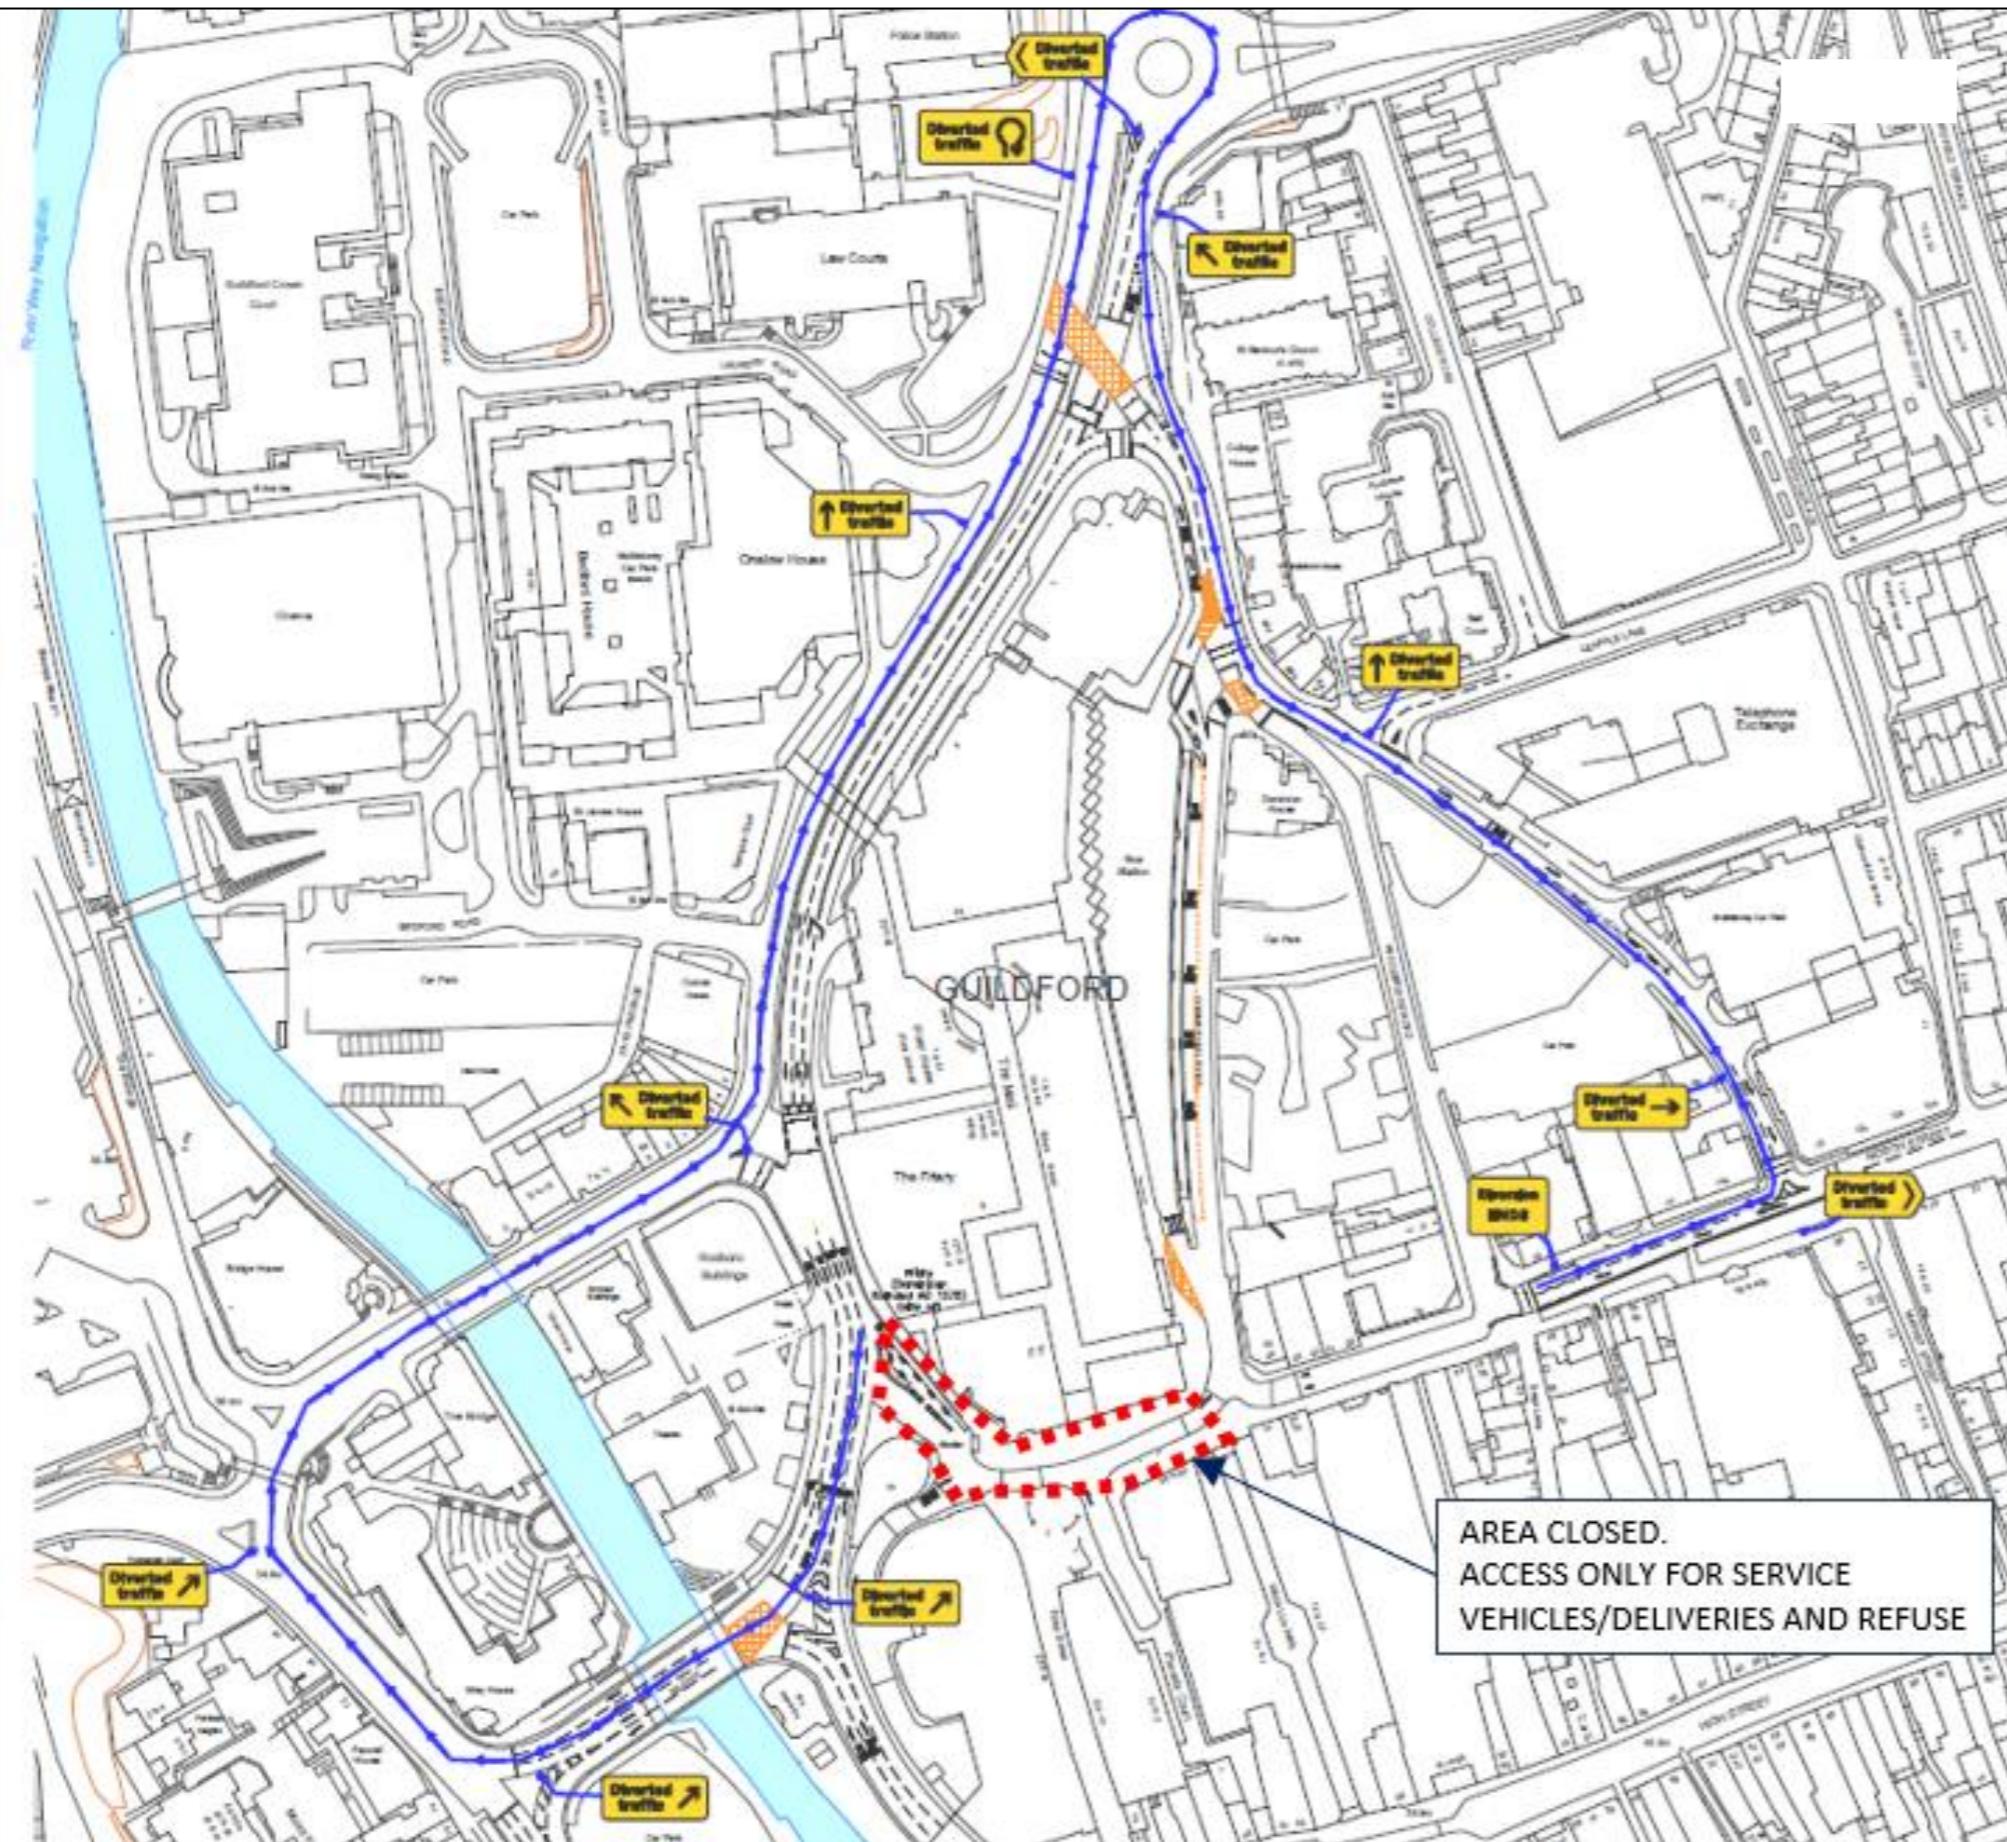

**FURTHER UPDATE ON PHASE 1 HIGHWAYS IMPROVEMENT WORKS**

The road will be closed in two halves as indicated above and to the left-hand side.

Whilst servicing and delivery vehicle routes will be maintained at all times, general vehicle traffic will be diverted in line with the routing shown on the next page.

All footpaths will remain open to pedestrians alongside alternative walkways, if required temporarily.
