THANK YOU

On behalf of the St Edward team, we want to thank you for your patience and understanding throughout the course of the delivery of the Phase 1 pedestrianisation and highway improvement works at North Street Guildford.

We will need to return to undertake final works to small areas of Phase 1 including completing paving outside Metro Bank and the taxi rank. Currently, we do not envisage a need to close or divert traffic to facilitate these works and only localised pedestrian re-routing will be required. We will write separately in the New Year to provide further updates.

Now that Phase 1 is largely complete, please see below images demonstrating the completed works:

WISHING ALL OF GUILDFORD
A VERY MERRY CHRISTMAS
AND A HAPPY NEW YEAR

SEE YOU IN 2026!
